

DARKMATTER™

ENERGY DISPERSAL PADS FITMENT & CARE INSTRUCTIONS

DARKMATTER™ Energy Dispersal Pads are designed to work in conjunction with ballistic armor. **THIS PRODUCT IS NOT A STANDALONE BALLISTIC RATED DEVICE.**

INSTALLATION

1. Place Energy Dispersal Pad behind armor plate, with back of pad facing towards torso.
2. Align plate and pad together.
3. Insert plate and pad into carrier.

CLEANING

- Spot clean soiled areas with a non-abrasive sponge or cloth and mild soap or detergent.
- Wipe entire surface clean with a damp cloth and allow product to air dry completely.
- **DO NOT** machine wash this item.
- **DO NOT** clean using bleach, solvents, or stain removers.

Please reach out to our team at [DARKMATTERSCIENCES.com/contact](https://www.darkmattersciences.com/contact) with any fitment or care questions.
